1. Pick a task!
2. When you have finished a task, color that section.
3. Consider sharing your product with us at [orsch.net](http://orsch.net). We will show it off for you!

Count forwards from 20, by 20!

20, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

How high can you go?

## What time is it?

Estimate the number of hairs you have on your head. Look it up. Were you right?

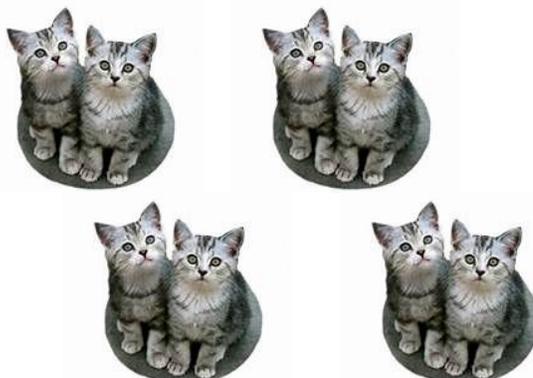

Draw a picture of you with 3 other people in your life. Think about who is the tallest, next tallest, next tallest and shortest. Make sure that your picture shows each person's height. When you are finished with your picture, show it to someone and see if they can guess who is who!

Find 3 different shoes in your house and set them next to each other. Which shoe is the shortest? Which shoe is the longest?

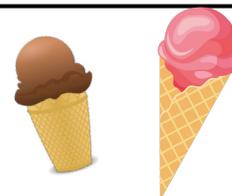

Go on a walk with a grown-up in the great outdoors! On the walk, count all of the birds that you see! Come home and try to draw a few of them!

Count these kittens by 2, how many are there?

Draw a picture of an ice cream cone with 2 scoops. Next, add 3 more scoops to the top of the cone. How many scoops of ice cream do you have now? Now it is time for toppings!

Add 3 cherries to the top of your ice cream cone. Next, add 6 gummy bears! How many toppings do you have in total?

How many different pictures are on this page? Don't count the same picture more than once, even if it exists! Tally them here to keep track!
